

Library & Business Center Information Request

The Library & Business Center at Golisano Children's Hospital of Southwest Florida provides a variety of resources for families seeking additional information on children's health issues. Located on the 2nd floor of the hospital across from the Ronald McDonald Family Room, the center is open and staffed Monday to Friday 8 am to 4 pm. Please call for accessibility on Saturdays. Staff members assist parents and children with research on specific topics and prepare customized packets of information including books, articles, and on-line resources.

The Library & Business Center also offers free children's books to the pediatric patients and to the visiting children.
