**About Lee Health**

*Since the opening of the first hospital in 1916, Lee Health has been a health care leader in Southwest Florida, constantly evolving to meet the needs of the community. A non-profit, integrated health care services organization, Lee Health is committed to the well-being of every individual served, focused on healthy living and maintaining good health. Staffed by caring people, inspiring health, services are conveniently located throughout the community in four acute care hospitals, two specialty hospitals, outpatient centers, walk-in medical centers, primary care and specialty physician practices and other services across the continuum of care. Formerly known as Lee Memorial Health System, the organization began its second century of service with a new name in 2016. Learn more at [www.LeeHealth.org](http://www.LeeHealth.org).*
