

Lee Health

Required Information Provided to the Learner – Disclosure

Title of Program:

Learners must receive the following information prior to the start of an educational activity

The following disclosure applies to this educational activity and any documents, information or opinions obtained from or ancillary to this educational activity. The information contained in the educational activity and related materials are not intended to constitute advice of any kind or the rendering of consulting, or other professional services of any kind. Registering for the educational activity only constitutes an agreement to attend the educational activity, and not a contract for consultancy or advice.

*Continuing nursing education (CNE) is the provision of learning activities “intended to build upon the educational and experiential bases of the professional RN for the enhancement of practice, education, administration, research, or theory development, to the end of improving the health of public and the RN’s pursuit of their professional goals” (ANCC, 2015, p.44). Continuing nursing education hours may be awarded based on the regulations of the accrediting body.

**The authors certify that they have no affiliations with or involvement in any organization or entity with any financial interest (such as honoraria; educational grants; participation in speakers’ bureaus; membership, employment, consultancies, stock ownership, or other equity interest; and expert testimony or patent-licensing arrangements), or non-financial interest (such as personal or professional relationships, affiliations, knowledge or beliefs) in the subject matter or materials discussed during this educational activity. There is no conflict of interest for any of the individuals who control the content of this educational activity.

***There is no commercial support of any kind for this educational activity.

****Lee Health designates this live activity of _____ ANCC contact hour(s). Lee Health is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. In order to receive contact hours, attendees must attend 100% of the activity, complete and submit the evaluation form, and successfully complete the post-test (if applicable) and score 80% or higher. Contact hours will only be awarded on the day of the educational activity.
