The Lee Memorial Health System is authorized to collect from patients who are found to have the means to pay, such charges as the system board may, in its sole discretion, from time to time establish. Subject to the annual health system budget and policy established by the system board, the president shall have the authority to see to the hiring or retention of such personnel as may be deemed necessary for the efficient management and operation of the public health care system and its subsidiaries and affiliated organizations; and to the firing or termination of such personnel. Section 14. For the purpose of providing funds for any purpose that the system board may deem advisable, the system board is authorized to issue revenue bonds of the Lee Memorial Health System pursuant to the constitution and laws of Florida, in such amounts as the system board may by resolution establish. The principal and interest on such bonds shall be paid from the revenues of the Lee Memorial Health System.

Section 15. For the purpose of providing funds to be used in connection with the Lee Memorial Health System, including the acquisition of land or any interest in land, the system board, at its discretion, is authorized to issue general obligation bonds in amounts necessary to pay the cost thereof. Said bonds shall be issued only after their issuance shall have been approved by a majority of the votes cast at an election of the qualified electors residing in Lee County. Notwithstanding the provisions of any other law, the election concerning the issuance of bonds may be held on the same day as an election held in said county for any other purpose, whether such other election be a primary, general, or special election. The system board may submit the question of issuing bonds authorized by this act at one election and others thereof at one or more subsequent elections. The ballots used at any such election shall state the maximum amount of bonds proposed to be issued. In the event that at any election the issuance of bonds under the authority of this act should not be approved, or if any such election be invalid or ineffective for any reason, the system board may call another election at any time for the same purpose. Except as otherwise provided herein, any election concerning the issuance of bonds as aforesaid shall be called and held and the result thereof canvassed, declared, and recorded in the manner prescribed by chapter 100, Florida Statutes.

Section 16. When any bonds have been issued pursuant to section 15 hereof, there shall be levied and assessed annually, so long as any of said bonds or the interest thereon remain unpaid, an ad valorem tax upon all taxable property, not exempt by law, in Lee County, which tax shall be sufficient in amount to pay the interest on said bonds as it becomes due and the principal thereof at maturity. Such tax shall be levied, assessed, and collected by the same officers and in the same manner as other county ad valorem taxes are levied, assessed, and collected.

Section 17. The bonds herein authorized to be issued by this act may be issued and sold at one time or from time to time, and shall bear such date or dates, be in such denomination or denominations, be payable at such place, bear interest at such fixed or variable rate or rates, and bear such maturity dates as may be permitted by general law, with or without the right of prior redemption, all as may be determined by resolution of the system board, which resolution may prescribe the manner and terms of redemption of any bonds which the system board may elect to make redeemable. The bonds may be issued in coupon form or non-coupon form, may be validated as permitted by law and shall bear the seal of the Lee Memorial Health System. Neither the provisions of this section nor any other provision of this act shall impair, abate, suspend, or invalidate any bond or other debt obligation of the Hospital Board of Directors of Lee County issued prior to the effective date of this act. The Lee Memorial Health System Board of Directors shall, without interruption, continue to have all duties and responsibilities regarding such bonds or obligations as were had by the Hospital Board of Directors of Lee County.

Section 18. Lee Memorial Health System shall be entitled to a lien for all reasonable charges for hospital, physician, and other health care services provided by the Lee Memorial Health System to ill or injured persons, upon the proceeds of all causes of action, suits, claims, counterclaims, and demands accruing to said persons or to their legal representatives, and upon all judgments, settlements, and settlement agreements rendered or entered into by virtue thereof, on account of injuries giving rise to such causes of action, suits, claims, counterclaims, demands, judgments, settlements, or settlement agreements, which injuries shall have necessitated such hospital, physician, and other services provided to such ill or injured persons. Lee Memorial Health System shall perfect and be entitled to enforce such lien as follows:

(1) In order to perfect the lien provided for herein, the Lee Memorial Health System chief executive officer or an employee or employees of the Lee Memorial Health System authorized by the chief executive officer shall, before or within 10 days after such ill or injured person shall have been discharged from a Lee Memorial Health System hospital, file in the office of the Lee County Clerk of Circuit Court, a verified written notice of lien setting forth the name and address of the ill or injured person as they may appear in the records of said health system hospital, the name and location of said hospital, the name and address of the employee or other authorized person preparing the notice of lien, the date of admission to said hospital and the date of discharge from said hospital, the amount claimed to be due for hospital, physician, and other services provided, and to the best knowledge

of the person preparing the notice of lien, the names and addresses of all persons, firms, or corporations who may be claimed by such ill or injured person or by the legal representative of such person, to be liable on account of such illness or injuries. When the notice of lien is filed, a copy thereof shall be sent by United States Postal Service to the ill or injured person, to said person's attorney, if known, and to all persons, firms, or corporations named in such notice of lien. The filing and mailing of the notice of lien in accordance with this section shall be notice thereof to all persons, firms, or corporations who may be liable on account of such illness or injuries, and to any other persons, firms, or corporations that may have an interest in the afore-said causes of action, suits, claims, counterclaims, demands, judgments, settlements, or settlement agreements, whether or not they are named in the notice of lien, and whether or not a copy of the notice of lien shall have been received by them.

(2) The Lee County Clerk of Circuit Court shall endorse on the written notice of lien the date and hour of filing and shall record said notice of lien in the Official Records of Lee County. The Clerk of Circuit Court shall be entitled to a fee from the Lee Memorial Health System for filing and recording the notice of lien that shall be the same fee as provided by general law for the filing and recording of other instruments.

(3) No release or satisfaction of any cause of action, suit, claim, counterclaim, demand, judgment, settlement, or settlement agreement shall be valid or effectual as against the lien of Lee Memorial Health System unless the lienholder shall join therein or execute a release of its lien prior to the payment of any proceeds thereof. Any acceptance of a release or satisfaction of any cause of action, suit, claim, counterclaim, demand, judgment, settlement, or settlement agreement in the absence of a release or satisfaction of the lien of Lee Memorial Health System shall prima facie constitute an impairment of such lien and the lienholder shall be entitled to a cause of action for damages against any and all persons, firms, or corporations giving or accepting such release or satisfaction, or paying or accepting the proceeds from the same. In such action, Lee Memorial Health System may recover the full amount of its charges for such hospital, physician, or other health care services; regardless of the amount of proceeds paid or received in impairment of its lien. Satisfaction of a judgment rendered in favor of Lee Memorial Health System in such action shall operate as a satisfaction of the lien. The action by the lienholder shall be brought in the court in Lee County having jurisdiction of the amount of the lienholder's claim. If Lee Memorial Health System shall prevail in such action, it shall be entitled to recover from the defendant or defendants, in addition to costs otherwise allowable by law, all reasonable attorney fees and expenses.

(4) No person shall be entitled to recover or receive damages based on the expense of hospital, physician, or other health care services provided by Lee Memorial Health System unless that person shall affirmatively show that Lee Memorial Health System's charges have been paid. Provided, however, that in any action, suit, or counterclaim brought on account of illness or injury, the plaintiff or counterclaimant may include as an item of damages the expense of such hospital, physician, or other health care services provided by Lee Memorial Health System, if prior to trial he or she shall have

notified Lee Memorial Health System in writing of the pendency of such action, suit, or counterclaim; whereupon the lienholder shall have the right, without leave of court, to intervene in the case and prove the amount of its charges for such hospital, physician, or other health care services. Any judgment rendered in favor of the plaintiff or counterclaimant shall provide that the amount proved by the lienholder to be due shall be deducted from the damages awarded and paid to the Lee Memorial Health System.

(5) The provisions of this section shall not be applicable to accidents or injuries within the purview of the workers' compensation laws of Florida.

Section 19. In the event of a conflict of the provisions of this act with the provisions of any other act, the provisions of this act shall control to the extent of such conflict.

Section 20. This act shall take effect upon becoming a law.
